### All Souls Day

### Robbing the Graveyard!

This past week the cemetery sheds were broken into and thievery was at work. Smaller, "easy to move" items (weed eaters, compressor, gas can, etc.) were all taken. Although the larger mowers were left, the special push mower donated by our Knights of Columbus a few years back was stolen. Hopes are not high for item recovery...as several years ago when the old shed was hit nothing was ever recovered. Unfortunately the culprits did some major damage to the new storage building entryway door in order to get in.

### Mausoleum

There have been several inquiries concerning the last mausoleum built and available spaces. At present there are only three “doubles,” that is, one opening for two entombments available. All are located on the top row of the structure. If interested or desiring of more information, simply contact the Pastoral Center.

### Are You Giving Your Family Your Best?

If the demands of life are pulling you in too many directions, and you feel like you have very little left at the end of the day to give to those that matter most, then discover the extraordinary Catholic teaching known as the Theology of the Body. It will give you a revolutionary and fulfilling vision for life, as it offers a new way to authentically see yourself, your faith, your relationships, and your world.

Given to us by Saint Pope John Paul II, the Theology of the Body is renewing marriages, awakening vocations, healing deep personal wounds, and setting people free to live the life of greatness they were created for.

In An Introduction to the Theology of the Body, an adult faith formation program, renowned author and theologian Christopher West unfolds God’s extraordinary plan for humanity. If you desire to discover and live out the fullest meaning and purpose of your life, then this study is for you!

This study will be held on 8 consecutive Mondays **beginning October 3, 6:30 P.M. – 8:00 P.M. in the school library.** The cost is only \$15 and includes all course materials and refreshments. For more

## TMIY

Seventy men have risked deeper involvement in their faith relationship and tried the That Man Is You offering we have embarked upon for the men of the parishes. It is never too late! Try it out...put your toe in the water...see if it is for you! Each Wednesday morning the men gather at 6:00 A.M.--breakfast, camaraderie, inspiration/reflection and discussion. All concludes at 7:30 A.M.

## Something Different...and Educational/Informative

One of the fruits of discussion that our That Man Is You program concluded is that there are times when you want to see/read/watch/learn something new, positive, insightful, relevant and meaningful and this sort of media is not always readily available. Rather than immersing oneself in meaningless watching reruns, or rehashing all sorts of unseemly things that are so prevalent in our modern technologically driven culture...there are options! The parish is experimenting with a trial subscription to Formed.org. It offers a variety of programs, presentations, stories and reflective offerings to indulge the spiritually beneficial aspect of our lives. As the parish is taking on this trial subscription, all one has to do is go to the site, register your email and input the parish code of **WJKPMW**, and you have access. Give it a try and let us know if you think it is worthwhile! After three months we will evaluate if this is helpful/useful or not.

### **Scheduling Mass Intentions**

Beginning November 1<sup>st</sup> the 2017 calendar will be available for scheduling Mass intentions. Remember that the great majority of people want weekend Masses and there are a limited number of weekends. So be aware that not all intentions can be scheduled for weekends--some must be for weekdays. Scheduling can be done at the St. Joseph Pastoral Center during office hours for Sweet Home, Koerth, Hochheim and Yoakum. One should not simply drop a note to the Pastoral Center and assume a particular date is open--important that you speak with the staff to guarantee dates are open before making an assumption.
