**“What You Have Received,
Give as a Gift”**

Our Lord instructed his disciples in a way that challenges us to first recognize how blessed we have been...and the need/responsibility of sharing that with others. As we conclude our Faith Formation year it is surely appropriate to recognize all of those members of our parish family who have done just that during this past year with our youth. We are blessed in so many ways--particularly with the gift of faith--and our CCD teachers and staff give back in loving dedication to share with the next generation that which we hold so dear: our Catholic faith and heritage! May the good Lord bless each of you who have been so generous in this necessary ministry/responsibility of our parish and community.

JCDA Leader(s) Needed**

Since 2009, Desiree Muenich and Jennifer Jahn have been co-coordinators of the Junior Catholic Daughters, Court Our Lady of Guadalupe No. 206. These ladies have worked hard and put in countless hours to build the organization which currently has 35 active members ranging from kindergarten through 12th grade. Desi and Jennifer are looking for a couple of individuals to take their place and continue working with these young ladies. They are committed to helping the new co-coordinators get started and assist when needed. The JCDA organization has been long established in our parish and we want to see it continue. If interested in working with the JCDA, please contact CDA Regent, Mary McQuillen at 293-3736 or the parish office, 293-3518.

Healing The Whole Person

Jesus responds today to brokenness, disease, and pain with transformative love and restoration. Through three days of teaching, worship, prayer, and testimony, you'll encounter God in a powerful way, and experience deeper freedom as the Father speaks to you in the depths of your heart, and through the supernatural graces of the sacraments. Whether you're struggling with life, or you just want "more" in your walk with God, this conference will empower you with tools, revelation, and a greater desire to live your life passionately on fire for God. Grounded in Church teaching, you'll engage the topics of "Facing our Brokenness," "Encountering the Father's Love," and "Living in Freedom."

JOHN PAUL II HEALING CENTER
Transformation in the Heart of the Church

From the Desk of the Principal:

Peace and blessings to you and your family as we begin the final month of what has been another incredibly successful school year. I am pleased to once again be able to sit down and write this letter telling all of you in our parish's and school's family the wonderful things that are happening here.

April was a very busy and fulfilling month for our students and faculty, especially through celebrating our faith. We continued to celebrate the resurrection of our Lord during this Easter season with regular Mass and special discussions during our Religion classes. We also celebrated serving our fellow man by collecting "Pennies for Patients" throughout April to help fund Cancer research. Although we have only been doing this for a few years, our students have collected more than \$3000 in pennies! Our students enjoyed being able to help and gained a stronger appreciation for serving others.

April was also a time of recognizing those who serve our school and each other so faithfully. Early in the month, the Diocese of Victoria held the annual Mother Seton Award Banquet for parents who served their schools above and beyond. This year, we were honored to give this award to Shawna Knocke, who gave so much of herself in service to the school--and continues to do so, even after her children have graduated! She has been a great asset to us, and I want to thank her personally again for all her support and effort. I also want to thank everyone who works tirelessly to help us in our mission to make our students the very best they can be.

We also were pleased to see several of our 8th graders receive the Bishop's Award for outstanding scholarship and service to the school. This year's recipients were: Mac Eggemeyer, Tyler Ferry, Kaden Holik, and Jacob Koenig. These students exemplify just what it means to be the responsible, mature, and studious young man or woman we champion at St. Joseph School.

Our final month of school will be in no way boring. We will be taking field trips, going on reward trips for Accelerated Reading (AR), having First Communion for our 2nd graders on the 12th, holding 8th grade Graduation on the 19th, hosting Field Day on the 23rd, and finishing out the school year on the 25th. What a wonderful year it has been, and I eagerly look forward to seeing what lies ahead in the fall.

Please look us up online for more information about what we are doing at St. Joseph's. You can stay connected by visiting our school website at www.stj Catholicschool.com or "Liking" our Facebook Page. Please stop by if you would like to visit with me--my door is always open. I look forward to getting to share more of the good news at St. Joseph School with all of you next month. Until then, keep us in your prayers, as we certainly continue to keep you in ours.

God Bless,

Sean Mooney, Principal
