New Missalettes

Just a note as we begin using the latest installment of our Missalette. As most tire of being reminded--if not for the threat of receiving a citation should you be caught removing them from the Church--this will be our first round without the translation insert aides. We have been using the new translation for two years now and it has become somewhat more familiar. On those sections that are still a challenge the Missalette can be utilized by locating the prayers within it. The main purpose of the Missalette is to assist all of us in a more full and active participation in our greatest prayer: the Holy Sacrifice of the Mass.

Upcoming Second Collections

This weekend we have the annual Catholic Campaign for Human Development second collection. Next weekend we will have a second collection for aiding the victims of the typhoon in the Philippines. And the following week we will have the annual second collection for retired religious. Remember--these are opportunities to share with others in need. They are not meant to be seen as a "nickel and diming you to death experience," on the part of the local Reverend Father--but rather--options for you to assist in needs beyond our community.

Little Blue Books

Next weekend our annual devotional for Advent will be available at all of the Masses. Help yourself to this valuable little aid and enrich your Advent preparation time.

Los Libritos Azules

El proximo fin de semana vamos a tener Los Libritos Azules--esre devocional de Adviento es una ayuda indispensable para nuestra preparacion espiritual antes de las Fiestas Navidenas.

Cemetery Pavilion Update

As can be seen work continues to progress on the Pavilion. Trees are being added as well as electricity. The columbaria are in place and slowly but surely it is taking shape. Still...a little patience is needed to see everything fall in place.

Parking Lot Update

The parking lot proposal continues in its path to possibly becoming a reality. We must await municipal approval in order to move ahead with the overall plan. Should this be approved, the diocesan building board has approved the plan on this end and we will be able to proceed. If everything ultimately should be acceptable, work would begin anywhere between mid-spring and mid-summer. The parking lot will accommodate approximately 50 vehicles and be the same style of finish as our new cemetery roads. In the next weeks--as previously mentioned--the simple storage building at the rear of the property (already permitted) should begin.

La Virgen de Guadalupe

Vamos a observar la fiesta de la Virgen de Guadalupe el 8 de diciembre como una celebracion parroquial dentro de la Misa domical a las 11:00 A.M. En actualidad la fiesta es el 12 de diciembre pero por causa del trabajo y dificultades de muchos celebramos este ano el domingo antes. Despues de la Misa vamos a tener una convivencia en el Salon Parroquial. Todos estan invitado a compartir algo con los demas en la comida despues de Misa.
