Everything gets moving the first Wednesday in September.

La parroquia necesita su ayuda con el programa de CCD (Doctrina). Si puede ayudarnos como maestra, asistente, etc. por favor a hablar con Jana Guajardo antes de la primer clase en Septiembre.

Faith Formation

As part of the Safe Environment policy of the diocese we will have our annual continuing education program for all CCD students and their parents on Wednesday, September 11th. The program will be presented in the individual classrooms.

Safe Environment Training

A Safe Environment Training class will be held Wednesday, September 18th at 6:30 P.M. at the Family Center. This class is mandatory for individuals who are interested in assisting or participating in any school function, field trip, CCD aide, etc. Anyone interested in becoming Safe Environment compliant must complete the online application (www.victoriadiocese.org) prior to attending the class. This class is also open to individuals who are in need of recertification.

Parking Lot Possibilities

As an update concerning the proposed additional parking lot...bids have been sought that reflect the additional space that was added. The original plan of some 7 years ago did not include the lot we acquired in the last few years where the little house stood next to the Pre-K. Once the bids come in, we will be better able to determine what direction we will go. As you can guess, these things move somewhat slowly due to schedules and other obligations the contractors and volunteers assisting with this have.
